SHARING WHAT MATTERS

In 1992, we started what was to become Beretta Farms by buying two pigs. Neither of us came from a farming background which was both a blessing and a challenge. We even named those first two pigs (Wilbur and Chutluff), something we have never done since! When they were full grown, we had them harvested at a local butcher shop and brought home all the cuts which we then proceeded to deliver to friends and family. The experience of those first two pigs changed our lives forever and launched the wonderful journey that has involved our parents and now our kids. Thanks for letting us share what matters.

LE MEILLEUR EST À PARTAGER

En 1992, nous avons acheté deux porcs et lancé ce qui allait devenir Beretta Farms. Aucun de nous ne venait d'un milieu agricole, ce qui était à la fois une chance et un défi. Nous avons même donné un nom à ces deux premiers porcs (Wilbur et Chutluff), ce que nous n'avons jamais fait depuis! Dès qu'ils étaient prêts, nous les avons fait abattre, nous les avons livrés à un boucher local et nous avons livré toutes les pièces de viande à nos amis et à notre famille. L'expérience de ces deux porcs a changé nos vies pour toujours et a lancé un voyage extraordinaire qui implique maintenant nos parents et nos enfants. Merci d'accepter de partager le meilleur.
